The undersigned also understands that GSP's providers exercise their care with reasonable skill and diligence, but make no guarantee as to the results or cure that will be attained.
2. **Consent to ePrescribe:** I consent to be enrolled in GSP's ePrescribing Program. This program gives the Provider the ability to electronically send accurate, error-free and understandable prescriptions directly to a pharmacy, as well as to access information on the medications I am already taking so as to minimize adverse drug events.
3. **Assignment of Benefits:** I hereby irrevocable assign, transfer and convey to GSP and any practitioners providing care and treatment to me, any and all benefits and all interest and rights (including causes of action, the right to enforce payment and the right to appeal and adverse benefits determination) to which I am entitled under an employee benefit plan sponsored by my employer, all insurance policies, benefits, any third-party reimbursement, or prepaid health care plan for services rendered or products received from GSP.
4. **Authorization to Release Information:** I consent and authorize GSP and its agents to release my health information for the purpose of payment, treatment, and healthcare operations to any of the following: insurance company and its affiliates, any practitioner, support staff or facility involved in my plan of care or transfer of care.
